Signal Word: **WARNING**

| HSNO Hazard Classification & Hazard Statements |  |
|--|--|
| 6.1E May be harmful if swallowed               | 9.1D Slightly harmful to aquatic life    |
| 6.4A Causes eye irritation                     | 9.3B Ecotoxic to terrestrial vertebrates |

#### Precautionary Statements

Read label before use.

Keep out of reach of children.

Avoid release to the environment

Please note that product contains powerful surfactants and an abrasive agent. Use on healthy skin (hands, wrists, forearms) and wet only. Never apply the product to dry skin and on the face. Do not exceed more than 10 applications a day if T ° C > 10 ° C or more than 5 applications per day if T ° C < 10 ° C. Do not dry hands after use as there is a slight risk of cracking. It is strongly recommended to combine the use of this moisturizer to compensate for dehydration due to abrasives. This is especially indicated when abrupt changes of T ° C (heating or cooling). Do not swallow. Best used before end: see packaging.

## 3. COMPOSITION/INFORMATION ON INGREDIENTS:

AQUA

COCO-GLUCOSIDE

PUMICE

OLETH-10

PEG-7 GLYCERYL COCOATE

GLYCERIN

OLETH-5

COPOLYMERE

DIMETHYL ADIPATE

ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER

TRIETHANOLAMINE

PARFUM

PARAFFINUM LIQUIDUM

STYRENE/ACRYLATES

CI 19140

METHYLCHLOROISOTHIAZOLINONE

METHYLISOTHIAZOLINONE

## 4. FIRST AID MEASURES:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.

IF SWALLOWED: Do NOT induce vomiting. Administer 2 glasses of water and if discomfort persists seek medical service.

MEDICAL ASSISTANCE: If discomfort persists, call your nearest Medical Centre or the NZ National Poisons Centre 0800-764-766 for advice. Have this label or Safety Data Sheet on hand.

## 5. FIRE FIGHTING MEASURES:

This product is not flammable, combustible, nor reactive to water.

Should the product be exposed to fire in the vicinity, where possible remove containers; otherwise cool with water spray.

## 6. ACCIDENTAL RELEASE MEASURES:

Spills on floors will produce a slippery surface.

Notices should be erected while clean-up is in progress.

Where possible wash spillages to drains, or mop up, or absorb spills with rags, paper, soil, sand.

## 7. HANDLING AND STORAGE:

Storage: it is necessary to store the product in cool and temperate zones (maximum 30 degrees C)  
Handle to prevent damage to containers. Should containers be damaged and repacking necessary, use clean containers of the same type.  
Always replace lids and caps after using this product; bags should be closed tight. Return all packages to safe storage after use.

## 8. EXPOSURE CONTROLS & PERSONAL PROTECTION:

Exposure controls: No data is available for the product.  
Eye protection: No special requirements.  
Protective clothing: No special requirements.  
Respiratory protection: Not required for normal use.

## 9. PHYSICAL AND CHEMICAL PROPERTIES:

|            |   |
|------------|---|
| Appearance | Yellow                                      |
| Odour      | Apple                                       |
| pH         | 7 +/-0,5                                    |
| Density    | 0.85 +/-0.001                               |
| Viscosity  | 12 000 mPas (rpm 20; rotor 4) +/- 1000 mPas |

## 10. STABILITY AND REACTIVITY:

The product is considered stable in normal use

## 11. TOXICOLOGICAL INFORMATION:

Not hazardous to human health.

## 12. ECOLOGICAL INFORMATION:

Not considered hazardous to the environment

## 13. DISPOSAL CONSIDERATIONS:

The product, suitably diluted, may be disposed of through waste-water systems where these are authorised for industrial use.  
Otherwise dispose of in accordance with local regulations by recognised waste disposal experts. Landfill is the preferred method.  
Wash empty containers before recycling

## 14. TRANSPORT INFORMATION:

NZ Land Transport Rule: Dangerous Goods Rule 2005      This product is not a Dangerous Goods for Land Transport in New Zealand.

## 15. REGULATORY INFORMATION:

This material is hazardous according to the criteria of the Health & Safety at work (Hazardous substances) Regulations 2017.  
Cosmetic Regulation EC 1223/2009 applies

## 16. OTHER INFORMATION:

CPNP Reg. no: 1856012  
DMD: 24 months  
PAO: 12 months  
This SDS was prepared from data available on 17 November 2021  
This SDS was printed on 17 November 2021  
This SDS will be reviewed no later than 17 November 2026

**END OF THIS SAFETY DATA SHEET**

The information contained in this Safety Data Sheet is provided in good faith and is believed to be correct as at the date hereof. However, it is expected that individuals receiving the information will exercise their independent judgement in determining its appropriateness for a particular purpose. The Proprietor makes no representation as to the accuracy or comprehensiveness of the information. Conditions of use and suitability of the product for particular uses are beyond our control; all risks of the use of the product are therefore assumed by the user and we expressly disclaim all warranties of any kind and nature, including warranties of merchantability and fitness for a particular purpose in respect to the use or suitability of the product. Appropriate warnings and safe handling procedures should be provided to handlers and users.
