

# PACIFIC CLASSIC INTERFOLD TOWEL

The Pacific Classic Interfold Towel is available in a sealed perforated pack, allowing for convenient use without the need for a dispenser. Designed with a focus on cost-effectiveness and efficiency, this economical single-fold towel features a controlled single-sheet dispensing system, ensuring practical and economical hand-drying performance. The Pacific Interfold Classic Towel is a high-quality solution tailored for moderate to high-traffic areas, delivering both cost savings and efficient hand drying.
