QUICK, CLEAN AND CONVENIENT

A practical solution for busy workplaces and high demand areas.

SORB-X WIPER RANGE

SINGLE USE

Centrefeed

QUICK, CLEAN AND CONVENIENT

When speed, efficiency and hygiene are a major factor in your business, use Sorb-X Centrefeed to increase operational efficiency. A general purpose tissue wiper designed for those light wiping tasks around the workplace. This wiper offers strength and fast absorption of oil, grease and water.

Combine Sorb-X Centrefeed with a Centrefeed Dispenser to reduce usage by controlling the stream of wipers, as well as protecting against dampness and dirt. Optimise the effectiveness of the system by installing dispensers in high demand areas to enable quick and easy dispensing of wipers.
