

Endurance

TAKING TOUGHNESS TO A NEW LEVEL

High performance and superior in every way.

Arguably the best performing wiper available on the market.

Endurance

TAKING TOUGHNESS TO A NEW LEVEL

A sophisticated, high performance wiper that stands the test of time.

Made of non-woven laminated wood pulp, Endurance is superior in every way – strength, reliability, cloth like feel and its ability not to spark on application. Reusable, time and again, its performance always comes up trumps, giving value for money.
