sorb-x

The Sorb-X Classic Centrefeed Roll 2-Ply, available in blue, as part of our Classic range. This general-purpose tissue wiper is designed for convenience and fits perfectly into our Centrefeed Dispenser. With its 2-Ply construction, this roll provides enhanced strength and softness, ensuring high performance. The paper exhibits fast absorbency of oil, grease, and water, making it a reliable choice for various tasks. Strong and economical, each roll offers 180m, and each case contains 6 rolls, providing an economical and dependable solution for your cleaning needs.
