

HygieneNix

Biodegradable Antibacterial
Bamboo Wet Wipes
(Lemon Scented)

HygieneNix Bamboo biodegradable wet wipes are safe for use on all skin types and surfaces. They can be used in situations and facilities where skin and surfaces need to be kept hygienically clean.

HygieneNix Wipes are suitable for:

- Gyms
- Child care facilities
- Rest homes and aged care facilities

They contain no harsh chemicals, are alcohol free and have a gentle lemon scent.

The wipes are antibacterial and tested to kill 99.99% of bacterial viruses.

HygieneNix wipes come in a refill pack that can be used in the dispensers shown adjacent.
