

DX-STAND

Free-Standing Dispenser Stand

Stainless Steel Free-Standing Dispenser Stand

A durable and professional free-standing dispenser stand, designed to position hand sanitiser or soap dispensers wherever hand hygiene is required. Ideal for entrances, reception areas, healthcare facilities, offices, retail environments, and other high-traffic locations. The stand provides a stable and convenient alternative to wall mounting. Drip trays are available as an additional component to help maintain clean and hygienic floors (see table).

FEATURES:

Code: DX-STAND
